

NEVER DESCALE AGAIN. EVER.

Takagi has combined water heating and water treating technology to achieve unparalleled scale protection on our condensing gas tankless product.

Model TK-540X3

Introducing X3™ Scale Prevention Technology. Takagi has applied this cutting edge technology to its condensing gas tankless product to prevent scale buildup -- meaning virtually zero lifetime descaling maintenance and three times longer product life for our condensing gas tankless water heaters.

UNIT DIMENSIONS

Model	Height	Width	Depth	Height With Cartridge
TK-540X3	23-5/8"	17-3/4"	11-1/4"	35-9/16"

X3™ Scale Prevention Technology

- Extends the life of the unit up to three times longer*
- Eliminates the need for regular scale-related maintenance
- No warranty exclusions for hard water
- Maintains "like-new" performance longer

*Compared to other tankless models without X3 Technology

Other Features:

- Highly efficient performance/ENERGY STAR® qualified
- Indoor and LP units available
- Ultra-Low NOx emissions

takagi.com

Unprotected tankless:
Failed at 5.8 years of operation
and 136,000 gallons

Tankless with X3 Technology:
Still running after 19.7 years of operation
and 460,000 gallons
